Frequently asked questions and answers

• Courses in G0000 series are credible towards the master degree.
• To register I9600, I9700, or I9900, a student must request a professor to be his/her instructor and sign the registration form before the Graduate Advisor signs it.
• Courses taken from other departments are not credited towards the master degree in EE, except that a course in other department is necessary for the project or thesis course. In this exceptional case, the instructor of the project or thesis course must send a letter to the Graduate Advisor.
• A minimum GPA of 3.0 must be maintained during the graduate study.
• There is no pre-graduation check. A student is responsible for his/her study to satisfy the curricular requirements of the master program.
• A student shall request graduation to the registrar at the Registration Office.
